

Clear Lake Emergency Medical Corps

Position Title: Paramedic

Open Date: 2-22-17

Close Date: Until Filled

Job Description

Paramedics at CLEMC are responsible for the operation of emergency vehicles and all equipment necessary to provide patient assessment, treatment and transport in an emergency setting. Paramedics are required to effectively interact and communicate with individuals and groups of individuals from all education levels, cultural backgrounds, belief structures, and states of health. They will also participate in community outreach and public education opportunities. The successful candidate is someone who has a high level of communication and critical thinking skills and currently holds a Texas Paramedic certification or license. The candidate is expected to understand Incident Command and be able to effectively operate within this system. The candidate must be able to demonstrate the ability to calmly and professionally work in high stress and emotionally charged situations.

Key Responsibilities:

- Perform ALS skills utilizing standing order protocols to guide patient care
- Interview and assess ;patients, family members and bystanders to assist in the development of a patient care plan
- Lift and carry supplies, equipment and stretchers to facilitate transport of patients
- Safely operate an emergency vehicle
- Complete documentation through electronic patient care reporting systems
- Regularly inventory and restock equipment and vehicles
- Maintain cleanliness of equipment, vehicles and facilities
- Decontaminate and disinfect equipment and vehicles
- Communicate effectively through oral and written means with all individuals or groups of individuals
- Effectively work while wearing a variety of personal protective equipment
- Effectively work as an individual and as a member of a team
- Precept students from local EMS programs

Job Requirements:

- 18 years of age
- Valid Texas Paramedic certificate or license
- Valid driver's license and safe driving record
